Peonies

Sizes, Prices and Descriptions

Pennant Mixed Peonies

If you want something good at a moderate price and are not particular what varieties and colors, just so they are nice, order Pennant Mixed. This is not a cheap lot of undesirable varieties, but a really good mixture of named Peonies, the leading commercial varieties predominating. Do not ask for certain colors of these as they are grown mixed. 25c each; \$2.00 per doz.; 50 or more at 16c each.

Q Prices are for good strong divisions of 3 to 5 eyes, from blooming plants. We consider them fully equal to one-year plants, they cost less and average larger than the one-year plants usually sent out.

Varieties
